JOINT BASE CHARLESTON - THE FUTURE

Naval Weapons Station
Charleston

Charleston Air Force Base

“Joint Base Charleston” will become the crown jewel in the Department of Defense arsenal as the Joint Logistics, Transportation and Engineering Hub (JLTEH). A true gem for our nation, “Joint Base Charleston” will be a leader in moving people, vehicles, munitions and supplies via air, land, sea and rail. Comprised with more than 50 supported commands, “Joint Base Charleston” will execute Navy, Air Force, Army, Coast Guard, and various Department of Defense missions all working together in support of the Global War on Terror.

Environmental

A responsible caretaker of the environment

- Endangered Species Protection - American bald eagles, red-cockaded woodpeckers and occasional visits by wood storks and manatees
- Wetlands conservation - 10,000 acres of marsh and wooded swamp
- Prescribed Burning Program - 3,464 acres burned in 2005-06 with an average of 3,400 acres/year for the past three years
- Invasive species control and pest management programs
- Outdoor Recreation - 1,100 acre Marrington Plantation with a 6-mile

jogging path 12.5 miles of hiking/biking trail and a Watchable

Neighborhood Items

- Invasive Species
 - Feral Hogs, Phragmites, Kudzu
- Prescribed Fire Program
 - ~ 20 burns, ~ 3,000 acres per season
 - Smoke Management Issues
- Mosquito Management
- Noise Reductions from Ranges
- Increased traffic
- PPV - Privatized Housing
 - ~ 150M project
 - 1889 old houses to ~ 750 brand new and renovated

Why Prescribed Fires?

- Reduces Wildfire Risks
 - Enhances Wildlife Habitat
 - Promotes Forestry Management
